The 6 Pass Plus Modules

What is Pass Plus?

Pass Plus is made up of 6 practical modules, each designed to build your experience and confidence in different driving conditions and circumstances.

All six modules are assessed during a minimum of a 6 hour session. There is no test at the end of the modules. You need to successfully complete all 6 modules to at least the required standard.

Pass Plus = Cheaper Motor Insurance

When you are successful on your PASS PLUS course you qualify for discounted motor insurance with participating insurance companies.

Participating insurers offer discounts on third party fire & theft, third party and comprehensive motor insurance policies.

Fact... Did you know? Every day in Britain, 2 under 25's die in road accidents
